■ Preventing the entry of non-authorized individuals

The main entrance of STEP Dormitory is equipped with a fingerprint door lock system. Only dormitory students can enter the building. The security cameras are also in operation 24 hours. A great security system makes the dormitory safe.

■ Regular cleaning

The shared spaces (lobby, shower rooms, cafeteria, etc.) are cleaned regularly by professional cleaners. Enjoy living in a sanitary environment.

■ Dormitory for men / Dormitory for women

All the shared facilities (except the lobby and study room) and dormitory rooms are separated for men and women. Elevators are also separated to prevent getting off at a wrong floor.

Cafeteria

A spacious cafeteria. It is open 24 hours and can be used as a gathering space. There are separate cafeterias for men and for women, and each can be accessed from the dormitory room floors without going through the lobby.

Kitchen space

Equipped with a sink, gas stove, microwave, toaster and hot water facility. Feel free to make some dishes here.

Shower rooms

You can take a warm shower at any time. Shower rooms are of course separate for men and for women. They can be accessed from the dormitory room floors without going through the lobby.

Study room

The study room is for both men and women and located on a floor different from the dormitory room floors. You can use the room even during the night or early morning.

Washing machines

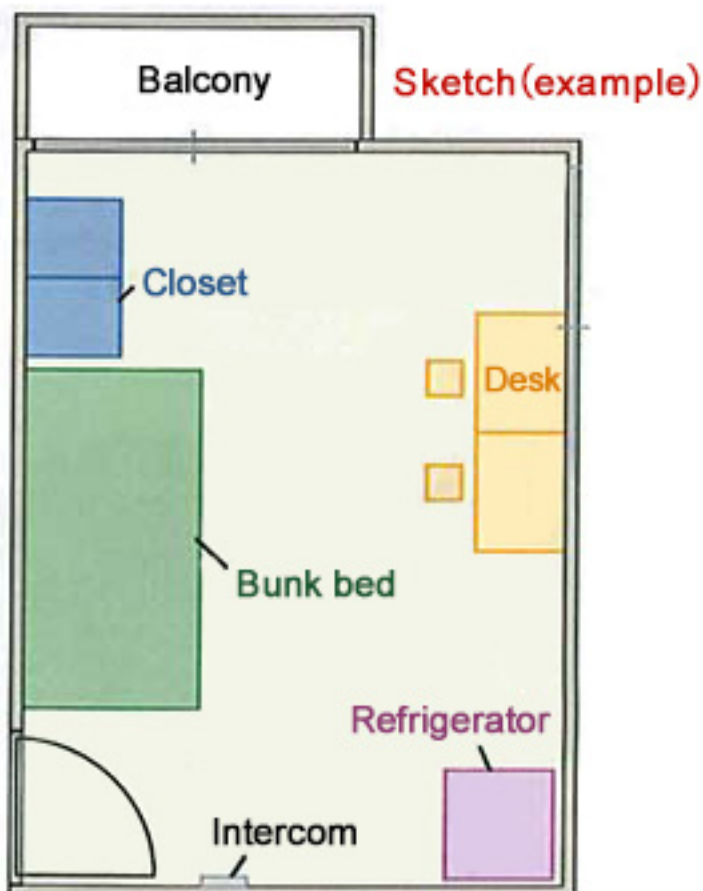

A washing machine is available on each floor. The laundry can be dried on the dormitory room's balcony.

Sinks

Clean sinks are located on each floor. You can store your toothbrush, toothpaste, etc., on the shelf next to the mirrors.
